WHAT IS DEVELOPMENTAL ICE?

This program offers skaters an opportunity to work on their skating skills either individually or through private lessons with an instructor.

All skaters (anyone taking a lesson/working on a skill) must pay before taking the ice.

Skaters are required to wear a visible sticker, as proof of payment.

Instructors do not have to pay, but instructors are entirely responsible to ensure that each of their skaters has paid each day, before taking the ice.

Any skater that is on the ice and has not paid, will be asked by management to leave the ice for the day. (No exceptions).

(Hockey) A helmet and mouth guard are required if a skater is using a puck.

(Hockey) Open/pick-up hockey is not allowed during Developmental Ice time.

(Hockey) Slap/Snap shots are not allowed.

(Hockey) When conducting hockey drills, please be considerate of other groups/individuals.

DEVELOPMENTAL ICE SCHEDULE

The Developmental schedule can and does change. Be sure to check the schedule frequently.

Developmental is most likely to change when another user group chooses to purchase the ice at least one week in advance, the developmental ice will be cancelled for that date.

Check for schedule changes either by picking up an up-dated copy of the schedule at the Community Center or checking on the City Web-site. www.edenprairie.org
